

Pharmacy First Minor Ailments Service

Patient Group Directions (PGDs) Record of Authorised Staff – Pharmacist Self Declaration

Before providing a Minor Ailments Service in Community Pharmacies within Cheshire East and Cheshire West Places, all pharmacists must:

- Self-declare their competence to work under the Patient Group Directions listed below by signing the "Record of Authorised Staff" **in each** pharmacy where they provide the service.
- Signing the "Record of Authorised Staff" assumes competence to provide treatment under **ALL** the Patient Group Directions listed below.

Patient Group Direction for the supply of:	Version:
Chloramphenicol 1% ointment for the treatment of bacterial conjunctivitis	Version 9 , date of first introduction August 2004, review date May 2023. <i>Expiry date April 2024</i>
Nystatin oral suspension 100,000units in 1ml for the treatment of oral candidiasis in infants	Version 9 , date of first introduction August 2004, review date May 2023. <i>Expiry date April 2024</i>
Nitrofurantoin 100mg Modified Release capsules for the treatment of uncomplicated urinary tract infection in women	Version 5 , date of introduction November 2015, review date May 2023. <i>Expiry date April 2024</i>

Pharmacist Self-Declaration

I Declare that I:

- Have read, understood and am competent to provide treatment under ALL the Patient Group Directions listed.
- Have undertaken any continuing professional development needed to deliver the service for the conditions included in the Patient Group Directions.
- Fulfil the "Characteristics of Staff" criteria required under section 2 of the Patient Group Directions.
- Accept delegated responsibility.
- Will be professionally accountable for my actions.

Pharmacist Name	GPHC no	Signature	Date

Please copy the form sufficient times to enable every pharmacist in branch to sign.
