## WHY HAVE WE WRITTEN THIS GUIDE?

---

This guide is aimed at pharmacists, including contractors and locums, who need to know what services they will be expected to provide in pharmacies across Cheshire East, and how they may wish to focus their CPD.

You may find this document useful because you

- Are new to working in Cheshire East
- Work occasionally in Cheshire East
- Are looking to move between pharmacies in the area
- Want an easy-to-use reference guide for the pharmacy team

There are guides available for each of the HWB areas within the Community Pharmacy Cheshire & Wirral LPC (CPCW) footprint – Cheshire East, Cheshire West & Chester, Warrington and Wirral and these are available on the LPC website.

The document also provides information about the role the LPC and contact details should you require them.

## ABOUT CPCW

---

**The role of CPCW is to support contractors to maximise income through the consistent delivery of high-quality NHS and locally commissioned services for the benefits of the patient**

### ***Who are CPCW?***

- A local organisation for community pharmacy across Cheshire and Wirral.
- The 11 members are community pharmacists who are representative of all sectors of community pharmacy including multiple and independent which are in all trading environments for example supermarkets, high streets, villages
- We are concerned with all aspects of NHS primary care that are relevant to community pharmacy
- LPC's must be consulted on
  - New contract applications, applications for contract relocations, etc
  - Impact analyses for Local Pharmaceutical Services (LPS) bids
  - Any NHS England decision to require a pharmacy to change its hours
  - Conditions for Enhanced Services
- LPC's expect to be (and are) consulted on all issues relevant to contractors, such as:
  - Any arrangements affecting pharmacy services
  - Changes to local NHS structures – LIFT etc
  - Arrangements for monitoring the pharmacy contract
- We work with NHS England, ICB's, Local Authorities and other healthcare professionals to influence policies and decisions and to help plan services for the benefit of patients
- We seek to identify and access additional local funding for pharmacy services

### ***Practical information worth a mention***

- The LPC typically meets 8 times a year
  - Agendas for the upcoming meetings are shared on the LPC website approximately a week before the meeting
  - Once ratified a copy of the LPC minutes are uploaded to the website
  - Observers are welcome to attend any of the LPC meetings – you just need to contact the LPC office ([alison@cpcw.org.uk](mailto:alison@cpcw.org.uk))
- The LPC is supported by a team including a Chief Executive Officer, two Pharmacy Services Managers, an Engagement Officer and a Business Support Officer
- The LPC circulates a weekly newsletter to over 500 recipients (sign up information on Page 8)
- The LPC has a website ([www.cpcw.org.uk](http://www.cpcw.org.uk)) which contains a diverse range of information (About the LPC, Services, Pharmacy Contracts and Management and Pharmacist Training and Professional Development)
- The LPC has presence on Twitter

## THE IMPORTANCE OF FULFILLING RESPONSIBLE PHARMACIST DUTIES – EXPECTATIONS & RESPONSIBILITIES

---

As pharmacy has evolved, there are now many more things to consider beyond the basic dispensing and supply of prescriptions.

Most, if not all, pharmacies now provide clinical services, both national and local, which commissioners expect to be delivered across the full range of a pharmacies opening hours. Some of these are essential services, which MUST be completed by the pharmacist on duty, eg the Discharge Medicines Service.

Patients also expect that when they attend a pharmacy to receive a service, they will not be turned away.

You should familiarise yourself with the services on offer prior to accepting a shift as the expectation has to be that where a pharmacist is on duty, they will do their utmost to provide the contracted services.

With this in mind, we would ask that you have Declarations of Competence (DoC) in place for all of the services on offer. CPPE ([www.cppe.ac.uk](http://www.cppe.ac.uk)) list the suggested learnings and provide the forms which can be completed online.

An overarching DoC can be quickly updated to include any local service specifications, eg for a minor ailments service with a PGD, and all of the training and accreditation requirements for the local services can be found in this guide, and also on our website (links provided within each service section).

It is very easy for the public and the commissioners to lose faith in us as a service provider and, where referrals fall down, we undergo significant reputational damage as a profession. This can impact the future sustainability of Community Pharmacy and so it is vital that we play our part in the bigger overall NHS picture. More services will continue to come our way and will need to be adopted into your daily practice to become business as usual.

### Online RA form

Having issues unblocking or updating smartcards? Please follow the link [Smart Card / RA Form - Midlands and Lancashire CSU IT](#) and complete the online Smartcard form where you will be able to request New Smartcards, unblock existing cards, renew/update permissions or privileges and all other issues with smart card access.

Once the online form is completed you will receive an email confirming your request has been received. A member of the RA team will contact you within 5 days, via email or telephone (depending on issue logged).

Locum pharmacists requesting Smartcards will need to nominate a pharmacy for their smart card to be sent. When completing the online form please ensure you select community pharmacist within organisation. This process can also be used to request Smartcard access for all team members just please ensure you add your job role where prompted.

 Logging the request on behalf of someone else

Please Select Reason to Log a Call \*

### Requesting first Smartcard

1. Send an email requesting a smartcard to [MLCSU.RAServices@nhs.net](mailto:MLCSU.RAServices@nhs.net) or via [Smart Card/RA Form - Midlands and Lancashire CSU IT](#); this is a secure email address.
2. You will receive an email confirming the information that has been submitted and given a case number
3. A member of the MLCSU team will ring to explain the process
4. You should email copies of ID - passport, driving license and address confirmation on a bill or bank statement to the email address above – in addition to a headshot photo against a white background.
5. If wanting FFFFF code on smartcard you need confirmation from a locum agency that you work as a locum; email this too.
6. You will receive a form back by email to complete.
7. A Conference Call (Zoom, Facetime to WhatsApp) will be required to confirm your identity where you will need to show them your ID previously emailed.
8. Your Smartcard will be dispatched to a pharmacy for collection.

## PHARMOUTCOMES

---

Most locally commissioned service claims are recorded on PharmOutcomes and every pharmacy in Cheshire East has unique log-in details. Things to note:

- The administrator using this default log-in can set up individual logins for staff members;
- If you have been provided with different personal logins for a number of different pharmacies, ask the PharmOutcomes Helpdesk about setting up “Switching Identities”; this will allow you to use a single username and password but then select the appropriate pharmacy from a list.

To record on PharmOutcomes:

- Go to [www.pharmoutcomes.org.uk](http://www.pharmoutcomes.org.uk)
- Log in (or select “Help” if needed)
  - Any messages are displayed on the Home Page
- Select the “Services” tab
- Accredited services for the pharmacy are listed on the left-hand side in orange
  - Click on the appropriate service to create a new record
- Recent Provisions are listed in the centre/right in Blue
  - These can be re-opened/edited by clicking on them
  - Editing information will over-write existing information
  - Editing after status has changed to “claimed” will not change payment details
- Outstanding Referrals are shown above Recent Provisions
  - Click on the Referral for information about the patient/reason for referral
  - Completing the action associated with the referral will move the referral from the top of the screen to the “Recent Provisions” section

The LPC has developed a getting started with PharmOutcomes guide that staff new to PharmOutcomes may find useful and can be accessed from the LPC website at <https://cpcw.org.uk/resources/pharmoutcomes/>

## WHERE TO FIND MORE INFORMATION

---

- Check out the LPC Website <http://www.cpcw.org.uk>
- Sign up for LPC newsletters and bulletins by sending your name and email address to [alison@cpcw.org.uk](mailto:alison@cpcw.org.uk)  
(It is helpful if you tell us where you work (ie which pharmacy(ies), approximate geographical area if relief or locum)

## PHARMACY SERVICES ACROSS CHESHIRE EAST

Below is a list of all available services that are open to community pharmacies across the Cheshire East footprint. Services that are offered will vary from pharmacy to pharmacy and you will need to check.

Each pharmacy should be able to provide you with a list of the services that it is commissioned to provide.

## HYPERTENSION CASE-FINDING SERVICE

The service has two stages – the first is identifying people at risk of hypertension and offering them blood pressure measurement (a ‘clinic check’).

The second stage, where clinically indicated, is offering 24-hour ambulatory blood pressure monitoring (ABPM). The blood pressure test results will then be shared with the patient’s GP to inform a potential diagnosis of hypertension.

Contractors opting to provide the service must undertake both stages of it, where clinically required, ie it is not possible to just undertake clinic BP readings and not ABPM.
